LEWIS & THOMAS. AGUE CURE.

Ague Cure

Is a purely vegetable bitter and powerful tonic, and is warranted a speedy and cer-tain cure for Fever and Ague, Chills and Fever, Intermittent or Chill Fever, Re-mittent Fever, Dumb Ague, Periodical or Bilious Fever, and all malarial dis-orders. In miasmatic districts, the rapid pulse, coated tongue, thirst, lassitude, loss of apparity reals in the leads and lains and coldpuise, coated tongue, thirst, lassitude, loss of appetite, pain in the back and loins, and cold-ness of the spine and extremities, are only premonitions of severer symptoms which terminate in the ague paroxysm, succeeded by high fever and profuse perspiration It is a startling fact, that quinine, arsenic, and other poisonous minerals form the basis of most of the "Fever and Ague Preparations," "Specifics," "Syrups," and "Tonics," in the market. The preparations made from these mineral poisons, although they are palatable, and may break the chill, do not cure, but leave the malarial and their not cure, but leave the malarial and thei own drug poison in the system, producing quinism, dizziness, ringing in the ears, head-ache, vertigo, and other disorders more for-midable than the disease they were intended to cure. Aver's Ague Cure thoroughly

It contains no quinine, mineral, or any thing that could injure the most delicate patient; and its crowning excellence, above its certainty to cure, is that it leaves the system as free from disease as before the attack. For Liver Complaints, Aven's Agua CURE, by direct action on the liver and bil-iary apparatus, drives out the poisons which produce these complaints, and stimulates the system to a vigorous, healthy condition.

We warrant it when taken according to Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass.
